## **Exalted Ruler's Message**

Dear members,

As we approach the end of our fraternal year we still have a considerable number of members who have not submitted their dues payment for 2011 – 2012. If you are reading this message, it appears you still are interested in your lodge. If there is some reason other than an oversight that you have not paid them, please contact me and I will personally do whatever it takes to resolve your concerns. I believe you will want to remain a member of the premier charitable origination in your community. In order to continue to help countless vets, special children and all children we cannot do it without you. We need you more now than any other time. If the reason is financial we will work it out your membership is more important.

February will be packed with many events please come to one of them. I would like to thank everyone who worked on our New Year's party. It was a great success and a good time was had by all.

*It is the little things that people do each day that keep this lodge going.*

**ELKS CARE - ELKS SHARE**

I was unable to attend the A/C trip due to illness; however I heard there were some winners.

Thanks to the breakfast crew we had another great one in January. Remember we have our breakfasts the 2nd Sunday of the month from 8:30—12:00.

Please feel free contact me with any questions or concerns you may have. Your input is not only welcomed but encouraged.

Yours truly,

Dominick Annuzzi, PDDGER  
Exalted Ruler 2011—2012

Nothing is made to last forever and of course everything breaks when you need it the most. So it is with our heating system. Our main heating unit (the one which handles the bar room, kitchen, and bathrooms) is over 50 years old and as the saying goes all good things must come to an end. The unit was no longer functioning properly and actually was a health hazard.

A new high-efficiency unit was installed in December.
